

WeSwear FAQs

Frequently Asked Questions (FAQ)

1. What is WeSwear.org?

WeSwear is an environmentally aggressive social enterprise. Our mission is to inspire change by promoting the use of sustainable merchandise or none at all. If consumption is necessary, we offer our own eco-friendly products. We employ an aggressive advocative strategy to engage younger generations in advocating for change in their daily lives. By choosing WeSwear, you become part of a movement challenging the status quo and shaping a future where sustainability is integrated into our routines. Join us in making a meaningful impact on the world we live in.

2. How can I get involved with WeSwear?

Here's How:

- a. Enough is enough! Join the WeSwear revolution and say fucking goodbye to the plastic nightmare. We're here to kick plastic to the curb and show the world that we won't settle for anything less than a sustainable future. Get on board and let's fuck plastic together!
- b. Plastic pollution won't stand a chance against us! At WeSwear we're warriors on a mission to eradicate this environmental menace. It's time to unleash your inner eco-warrior and fight back. Together, we can send a powerful message: Screw Plastic, we're reclaiming our planet!
- c. Don't just talk the talk, walk the walk! WeSwear and our Fuck Plastic mission is more than just a brand—it's a battle cry against plastic pollution. We challenge you to reject the status quo, embrace sustainable alternatives, and show the world that you mean business. Let's kick plastic's ass and create a future worth fighting for!
- d. Break free from the plastic chains that bind us! WeSwear is here to liberate you from the grip of single-use plastics. It's time to disrupt the system, embrace sustainable choices, and show the world that we won't be

silenced. Join the rebellion and scream it loud: Fuck Plastic!"

3. Where did WeSwear start and where is it now?

WeSwear started in one of the Mecca's of plastic waste; Bangkok, Thailand. We now sell merchandise all over the world. It is currently running out of Hong Kong.
